NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTICE RE RULE 411

Rule 411 of the Exchange makes it the duty of every member, member firm and member corporation to use due diligence in learning the essential facts about every customer and every order or account accepted. A recent incident makes it necessary for the Exchange to caution members at this time on the need for constant vigilance in observing the provisions of this rule, which exists principally for the protection of the members.

A number of member firms recently effected sales of substantial amounts of a stock listed on the Exchange for the account of a customer who subsequently proved not to own the stock and therefore unable to make delivery. Losses to the member firms resulted.

These member firms took what they considered to be reasonable precautions in effecting initial transactions for an individual introduced by persons well known to the firms but not himself well known to the firms. Strict observance of Rule 411 might well have prevented the losses they suffered.

The Exchange recommends that each member firm and member corporation review its current procedures to make sure that it is fulfilling the requirements of Rule 411 and, in so doing, affording itself ample protection in the acceptance of new customer accounts and the execution of initial transactions for such accounts.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

New dates for settlement of due bills and "when issued" contracts

June 19, 1959.

Due to the closing of the American Stock Exchange on Friday, July 3, 1959, the date for the settlement of due bills for stock distributions and the date for the settlement of "when issued" contracts in the additional shares of stock represented by such distributions for the following issues have been extended by one day, as follows:

¶Brillo Manufacturing Company, Inc.

Due Bill Redemption Date will be July 7 instead of July 6 and settlement date for "when issued" contracts will be July 8 instead of July 7.

¶Driver-Harris Company

Due Bill Redemption Date will be July 8 instead of July 7.

¶Universal Winding Company

Due Bill Redemption Date will be July 7 instead of July 6 and settlement date for "when issued" contracts will be July 8 instead of July 7.

¶Italian Power Realization Trust

June 19, 1959.

Notice has been received from Colonial Trust Company, Indenture Trustee for Italian Power Realization Trust 6½% Cumulative Liquidation Trust Certificates that on July 20, 1959, it will make a distribution to the holders of such Certificates of record at the close of business on June 30, 1959, at the rate of $60.50 per $1,000 original face amount of Certificates of which $24.50 will be on account of accumulations at the rate of 6½% per annum and the balance of $36.00 will be on account of reduction of the face amount of such Certificates. As a result of the $36.00 payment on account of reduction of the face amount of the above Certificates, the face amount thereof will have been reduced by an aggregate of 28%, or a total of $280.00 per $1,000 original face amount of Certificates.

Accordingly, the Committee on Securities rules that the above referred to Italian Power Realization Trust 6½% Cumulative Liquidation Trust Certificates be quoted "ex" the above referred to distribution at the rate of $60.50 per $1,000 original face amount of Certificates on Thursday, June 25, 1959, and that such Certificates shall continue to be dealt in "flat".

Attention is directed to the fact that on and after Thursday, June 25, 1959, when the above Certificates are quoted "ex-distribution", quotations and transactions in said issue will continue to be made on the basis of $1,000 original face amount of Certificates. For example, a transaction at 80 will mean 80% of $1,000 original face amount of Certificates or $800.00.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

Reference is made to previous announcement regarding the declaration by San Carlos Milling Co., Inc. of a 25% stock dividend on its Capital Stock payable to stockholders of record at the close of business on May 28, 1959 subject to the approval of the Securities and Exchange Commission of the Philippine Islands.

Notice has now been received that the Securities and Exchange Commission of the Philippine Islands has approved an increase in the Capital Stock of San Carlos Milling Co., Inc. and the declaration of the above referred to 25% stock dividend and that the certificates therefor will be mailed via airmail by Bishop Trust

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedure", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

Venezuela Syndicate Inc.

September 15, 1959.

Reference is made to the ruling issued by the Committee on Securities on February 14, 1957 in which the Committee ruled that unsettled transactions in the Common Stock, Par Value 20¢, of Venezuela Syndicate Inc. may be settled by delivery of either (a) certificates for the Common Stock of Venezuela Syndicate Inc. or (b) certificates for a like number of shares of the Common Stock of Kirby-Vensyn Petroleum Co. accompanied by a letter of guarantee signed by a member of the American Stock Exchange Clearing Corporation guranteeing to pay to the holders thereof such amount, if any, per share of Venezuela Syndicate Inc. involved in the transaction as may finally be paid as a result of any award made in connection with certain then pending litigation involving Venezuela Syndicate Inc.

The American Stock Exchange has now been advised that the action in the above referred to litigation has been dismissed pursuant to an Order of the Chancery Court of New Castle County, Delaware.

Accordingly, the letter of guarantee referred to above which accompanied deliveries of the Common Stock of Kirby-Vensyn Petroleum Co. are automatically null and void and members who delivered such letter of guarantee are entitled to reclaim same.

ADDITIONAL CHANGES TO BE MADE IN THE ABBREVIATION BOOKS

Par Value Changed: xRaymond International Inc. (Common) from $10.00 per share to $3.33⅓ per share. Amendment to Certificate of Incorporation filed on September 14, 1959. Effective September 15, 1959, transactions recorded as in the $3.33⅓ par value shares.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

Reference is made to the 1% stock dividend declared by Erie Forge & Steel Corporation on its Common Stock for payment on November 10, 1959 to stockholders of record at the close of business on October 20, 1959.

The above referred to dividend requires an adjustment in the conversion price of the First Preferred Stock of the Corporation and notice has been received that since the cumulative net effect of this and prior adjustments, to which effect has not already been given, exceeds 20¢, the price at which the outstanding shares of First Preferred Stock are convertible into shares of Common Stock will be changed from $7.04 to $6.79 effective October 20, 1959.

Trans-Cuba Oil Company is unable to determine whether there are any holders of bearer shares for its Common Stock, Class A, Par Value 50¢, in the United States, but has requested that the Exchange issue an announcement with respect to the foregoing for the information of members and their customers.

Accordingly, members are urged to be guided accordingly.

NOTE: Dividend announcements in the Weekly Bulletin appear only until the "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

¶National Bellas Hess, Inc.

November 18, 1959.

Reference is made to previous announcement regarding the proposed offering by National Bellas Hess, Inc. to the holders of its Common Stock of the Right to Subscribe for a new issue of Convertible Subordinated Debentures, due October 1, 1984.

As previously announced, it was expected that the record date for the subscription offering would be the close of business on November 20, 1959 and that the Right to Subscribe would expire on December 8, 1959.

Notice has now been received that the above referred to Registration Statement will not clear the Securities and Exchange Commission on November 20, 1959, as previously contemplated, with the result that the record date and expiration dates for the offering will be changed to later dates depending upon the date on which clearance of the Registration Statement is obtained.

In addition, stockholders will also be entitled to make additional subscriptions for such shares as shall have been unsubscribed for, subject to allotment.

The subscription price is expected to be announced shortly before the offering is made. The subscription period will be approximately 16 days. The Right to Subscribe will be exercisable at the office of either California Bank, Los Angeles, California or The Chase Manhattan Bank, New York, N. Y.

Announcement will be made at a later date with respect to the record date and expiration date for the subscription offering. In the meantime, it is suggested that members continue transferring certificates out of previous owners' names as deliveries are received by them so as to avoid unnecessary claims for the Rights. The transfer agent for said stock is California Bank, Los Angeles, California.

¶Virginia Iron, Coal and Coke Company

November 16, 1959.

COMMITTEE ON SECURITIES

The following rulings have been issued by the Committee on Securities since the date of the last Weekly Bulletin:

¶The Martin Company

November 27, 1959.

Reference is made to the 5% stock dividend which has been declared on the Capital Stock of The Martin Company for payment on January 6, 1960 to stockholders of record at the close of business on December 4, 1959.

Notice has been received that the Board of Directors of J. W. Mays, Inc. has authorized the distribution on January 4, 1960 to the holders of its Common Stock, Par Value $1.00, of record at the close of business on December 7, 1959 of one additional share of Common Stock for each two shares held so as to effect a splitup of said stock on a three-for-two basis. Order forms will be issued for the purchase and sale of fractional share interests resulting from such distribution.

Effective December 9, 1959 the additional shares of Common Stock which will be the subject of the above referred to distribution will be admitted to "when issued" dealings on the Exchange. Effective December 10, 1959 transactions in the Common Stock of The Sherwin-Williams Co. will be recorded as in $12.50 par value shares but on a "distribution on" basis until December 14, 1959 as set forth below. Orders on the books of the specialists at the close of business on December 9, 1959 or which may thereafter be entered in the above stock shall be effective as to the purchase or sale of the $12.50 par value shares. Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend' dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

¶Occidental Petroleum Corporation

December 31, 1959.

Reference is made to previous announcement that, subject to prior effectiveness of a registration statement under the Securities Act of 1933 and the making of an offer by the Corporation, Occidental Petroleum Corporation proposes to offer to the holders of its Common Stock the Right to Subscribe to one additional share of said stock for each ten shares held. In addition, stockholders will also be entitled to make additional subscriptions for such shares as shall have been unsubscribed for, subject to allotment.

Notice has now been received that the proposed record and expiration dates for the above referred to offering have been postponed so that the new record date will be the close of business on January 8, 1960 in Los Angeles and the new expiration date will be January 28, 1960. As previously announced, the Right to Subscribe will be exercisable at the office of either California Bank, Los Angeles, California or The Chase Manhattan Bank, New York, N. Y.

The Committee on Securities rules that the Common Stock of Occidental Petroleum Corporation be not "ex" said Rights until further notice, and that all certificates for said stock which are delivered after January 4, 1960, and until further notice, must be accompanied by due bills for the Subscription Rights.

The Subscription Rights will be admitted to dealings upon receipt of notice by the Exchange that the Corporation's registration statement under the Securities Act of 1933 relating to the above offering has become effective, and the Common Stock of the Corporation will be quoted "ex-Rights" on the day following the date when the Subscription Rights are admitted to dealings.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend' dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

The "ex-dividend' dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTICE RE REGISTRATION UNDER THE MARTIN ACT

In a letter dated June 11, 1959, the Exchange advised members of the amending of the Martin Act, which is the State of New York Securities Law, to require brokers, dealers and salesmen who sell or buy securities "to or from the public within or from" New York State to register with the Attorney General by January 5, 1960. The Exchange Bulletin of October 23, 1959 reminded members that registration must be accomplished by January 5, 1960, and announced that the registration forms to be used were available at the Attorney General's Office, Department of Law, Bureau of Securities, Room 471, 80 Centre Street, New York, N. Y.

The Attorney General's Office has indicated that a number of members, member firms and salesmen subject to registration under the provisions of the Martin Act as amended may not yet have complied with its legal requirements.

Immediate attention should be given this matter and any necessary registrations accomplished at once. Members in doubt as to applicability of the law should consult their counsel. Related questions should be directed to the New York Attorney General, Department of Law, Bureau of Securities, 80 Centre Street, New York, N. Y., telephone COrtland 7-9800.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend' dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTICE TO MEMBERS AND BRANCH MANAGERS

ATTENTION: MANAGING PARTNERS DIVIDEND BOOK READY AFTER FEBRUARY FIRST

ADVANCE ORDER NOW

On a no charge, unlimited copy basis, "Dividends For More Than A Decade", annual survey of American Stock Exchange common stocks with outstanding dividend records, will be available for distribution soon after February 1, 1960. Member firm imprints (also free of charge) will be placed on the front cover of the booklet upon request. Imprint copy should accompany orders. Notices and order forms are now being prepared for mailing to regular and associate members, partners and registered representatives with the suggestion that ordering be coordinated by main offices.

The 16 page booklet, long a favorite with investors, and an excellent member-firm promotion, will show that approximately 42% of the Exchange's common stock issues have been paying dividends for between 10 and 111 consecutive years. The survey, presented in industrial classification form, will show total consecutive annual payments, per-share dividends paid in 1959, closing prices at 1959 year-end and the yield.

Please determine your requirements and promptly advise the Exchange's Department of Public Relations on the order forms which will be mailed next week.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend' dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTICE TO MEMBERS AND BRANCH MANAGERS

ATTENTION: MANAGING PARTNERS DIVIDEND BOOK READY AFTER FEBRUARY FIRST

On a no charge, unlimited copy basis, "Dividends For More Than A Decade", annual survey of American Stock Exchange common stocks with outstanding dividend records, will be available for distribution soon after February 1, 1960. Member firm imprints (also free of charge) will be placed on the front cover of the booklet upon request. Imprint copy should accompany orders. Notices and order forms have been mailed to regular and associate members, partners and registered representatives with the suggestion that ordering be coordinated by main offices.

The 16 page booklet, long a favorite with investors, and an excellent member-firm promotion, will show that approximately 42% of the Exchange's common stock issues have been paying dividends for between 10 and 111 consecutive years. The survey, presented in industrial classification form, will show total consecutive annual payments, per-share dividends paid in 1959, closing prices at 1959 year-end and the yield.

Please determine your requirements and promptly advise the Exchange's Department of Public Relations on the order forms which have been mailed.

Dealings in the above Warrants shall be on the basis of one Warrant representing the right to purchase one share of Common Stock.

(Abbreviation: G N A.WS) (Post: 18, Sections: C-D-E) (Code No. 25.)

(Unit of Trading and Printing: 100 Warrants to purchase 100 shares of Common Stock.)

Note: The above Warrants were previously attached to the Corporation's 6¼% Subordinated Debentures due November 1, 1974 on the basis of a Warrant to purchase 25 shares of Common Stock for each $1,000 Debenture. Thus, for trading purposes, a Warrant originally attached to a $1,000 Debenture is equivalent to 25 Warrants.

Members are cautioned that dealings in the above Warrants will be only in multiples of 25 Warrants viz: Warrants for the purchase of 25 shares of Common Stock or multiples of 25 shares.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

Order forms will be issued for the purchase or sale of fractional share interests resulting from said distribution.

The Committee on Securities rules that the Common Stock of Central Securities Corporation be quoted "ex" on Monday, April 4, 1960 the distribution of one additional share of said stock for each two shares held; that all certificates for said stock delivered after March 11, 1960, in settlement of transactions made prior to April 4, 1960 must be accompanied by due bills for said distribution; and that such due bills must be redeemed on Thursday, April 7, 1960.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

COMMITTEE ON SECURITIES

The following rulings have been issued by the Committee on Securities since the date of the last Weekly Bulletin:

¶American Photocopy Equipment Company

March 9, 1960.

Reference is made to announcements in previous Weekly Bulletins of the Exchange regarding a dividend of 15¢ per share on the Common Stock of American Photocopy Equipment Company which has been declared for payment on April 1, 1960 to stockholders of record at the close of business on March 17, 1960. The Weekly Bulletins of the Exchange specify that the stock will be quoted "ex-dividend" on Thursday, March 10, 1960, on the basis that the transfer agent for the issue is located in Chicago.

Notice has now been received of the appointment of Morgan Guaranty Trust Company of New York, New York, N. Y., as the New York City transfer agent for said issue and that said trust company is now accepting certificates for said stock for transfer.

Accordingly, in view of the appointment of a New York transfer agent for the Common Stock of American Photocopy Equipment Company, it has become necessary to change the "ex-dividend" date for the issue from Thursday, March 10, 1960 to Monday, March 14, 1960 as set forth above. Members are cautioned to be guided accordingly.

¶American Steel and Pump Corporation

March 8, 1960.

Notice has been received from American Steel and Pump Corporation that interest in the amount of $70 per $1,000 Bond will be paid on April 1, 1960 to registered holders of the Corporation's 4% Income Bonds, Series A, due December 1, 1994, of record at the close of business on Tuesday, March 22, 1960. Such payment of $70 covers the arrearage of cumulative interest of $30 for the fiscal year 1958 and full interest of $40 for the fiscal year 1959.

Accordingly, the Committee on Securities rules that said Bonds be quoted "ex-interest" $70 per $1,000 Bond on Thursday, March 17, 1960, and that the Bonds shall continue to be dealt in "flat".

¶Colonial Sand & Stone Co., Inc.

March 10, 1960.

Notice has been received that the Common Stock, Par Value $1.00, of Colonial Sand & Stone Co., Inc. will be split up on the basis of two shares for one by the distribution on April 14, 1960 to stockholders of record at the close of business on March 24, 1960 of one additional share of Common Stock, Par Value $1.00, for each share held.

The Committee on Securities rules that the Common Stock, Par Value $1.00, of Colonial Sand & Stone Co., Inc. be quoted "ex" on Thursday, April 14, 1960 the distribution of one additional share of said stock for each share held; that all certificates for said stock delivered after March 24, 1960, in settlement of transactions made prior to April 14, 1960 must be accompanied by due bills for said distribution; and that such due bills must be redeemed on Wednesday, April 20, 1960.

During the period in which the above stock is dealt in with due bills attached, in addition to the regular New York stock transfer tax on sales at the rate of 3¢ per share, additional New York State stock transfer tax will be required to be paid on the shares represented by due bills at the rate of 3¢ for each share represented by the due bills.

The additional shares of Colonial Sand & Stone Co., Inc. which will be the subject of the above referred to distribution, will be admitted to "when issued" dealings on the Exchange at the opening of business on March 21, 1960.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

COMMITTEE ON SECURITIES

The following rulings have been issued by the Committee on Securities since the date of the last Weekly Bulletin:

¶Amurex Oil Company

March 14, 1960.

Reference is made to the offer of Murphy Corporation to holders of the Class A Common Stock and Class B Common Stock of Amurex Oil Company pursuant to which the holders of said stocks of Amurex Oil Company have the privilege of exchanging same for the Common Stock of Murphy Corporation on the basis of one share of Murphy Corporation Common Stock for each eight shares of Amurex Class A Common Stock and

one share of Murphy Corporation for each eighty shares of Amurex Class B Common Stock.

The above referred to offer is subject to the terms and conditions set forth in a Prospectus of Murphy Corporation dated February 19, 1960. Among other things, it is a condition of the offer that at least an aggregate of 571,400 shares of Amurex Class A and Class B Common Stock shall be deposited in acceptance of the exchange offer unless Murphy exercises its option of declaring the offer effective upon deposit of a lesser number of shares.

Holders of the Class A Common Stock and Class B Common Stock of Amurex desiring to accept the above referred to offer may do so by depositing their certificates for said stocks with The First National Bank of Chicago, Chicago, Illinois, the Exchange Agent, together with an executed Letter of Transmittal provided for such purpose, before the close of business on March 21, 1960.

As previously announced, member firms effecting purchases of the Class A Common Stock of Amurex Oil Company for deposit under the above offer will be required to make such purchases for "next day" delivery beginning Tuesday, March 15, 1960, and until and including Thursday, March 17, 1960, and for "cash" on Friday, March 18, 1960, until 12:00 o'clock Noon on said date.

In addition, stockholders will also be entitled to make additional subscriptions for such shares as shall have been unsubscribed for, subject to allotment.

It is presently expected that the record date for the subscription offering will be the close of business on March 25, 1960 and that the subscription period will be approximately 18 days after the date of issuance of the Rights. Such record date is subject to change to a later date depending upon the date when the Registration Statement clears the Securities and Exchange Commission.

The Committee on Securities rules, subject to the above offering being made, that the Common Stock of New Haven Clock and Watch Company be not quoted "ex" said Rights until further notice and that all certificates for said stock which are delivered after March 25, 1960, and until further notice, must be accompanied by due bills for the Subscription Rights.

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.

DIVIDENDS

NOTE: Dividend announcements in the Weekly Bulletin appear only until "ex-dividend" date, with the exception of dividends for which "ex-dividend" dates were not announced in previous bulletins.

The "ex-dividend" dates for the stocks set forth in the following tabulation have been established in accordance with the provisions of Rule 830 of the Board of Governors as outlined in a pamphlet, entitled "Explanation of Ex-Dividend Procedures", copies of which may be obtained at the Division of Securities of the Exchange.

Attention is directed to the fact that stocks which are also dealt in on other exchanges outside of New York City may have an earlier or later "ex-dividend" date on such out-of-town exchanges than that established by the American Stock Exchange since "ex-dividend" dates may vary in relationship to the delivery plan under which an exchange operates and its proximity to the transfer office.
